**Date:** May 17, 2016

**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor

A handwritten signature in black ink, appearing to be "Carlos A. Gimenez", written over the printed name.

**Subject:** Substantial Amendments to the FY 2009-15 Action Plans and Corresponding FY 2008-12 and FY 2013-17 Consolidated Plans for the Recapture and Reallocation of Community Development Block Grant and Home Investment Partnerships Program Funds and allocation of Community Development Block Grant Program Income Funds

---

## **Recommendations**

It is recommended that the Board of County Commissioners (Board) authorize the County Mayor or the County Mayor's designee to substantially amend the FY 2009-15 Action Plans and the corresponding FY 2008-12 and FY 2013-17 Consolidated Plans to:

- Recapture and reallocate \$297,151.22 of current and prior years' Community Development Block Grant (CDBG) Program funds;
- Recapture and reallocate \$250,000.00 of Home Investment Partnerships (HOME) Program funds;
- Allocate \$1,326,854.05 of CDBG Program Income Funds;
- Waive the provisions of Resolution No. R-596-12 requiring that 20 percent of CDBG funds be allocated to economic development activities; and
- Authorize the County Mayor or County Mayor's designee to execute all standard shell contracts, amendments, standard shell loan documents and other agreements necessary to accomplish the purposes of this resolution, and to exercise the cancellation and other provisions contained therein.

## **Scope**

This item amends the FY 2009-15 Action Plans, and the corresponding FY 2008-12 and FY 2013-17 Consolidated Plans in order to recapture and reallocate CDBG and HOME Program funds and allocate CDBG Program Income funds. Exhibits 1 and 2 include the proposed recaptures and reallocations of funding. This item impacts the Commission District 2, represented by Commissioner Jean Monestime; District 3, represented by Commissioner Audrey M. Edmonson; District 7, represented by Commissioner Xavier L. Suarez; District 8, represented by Commissioner Daniella Levine Cava; District 9, represented by Commissioner Dennis C. Moss; District 11, represented by Commissioner Juan C. Zapata; and District 12, represented by Commissioner Jose "Pepe" Diaz.

## **Fiscal Impact/Funding Source**

The recapture and reallocation of CDBG and HOME funds and CDBG program income funds will not have a negative fiscal impact on the County's General Fund. This item recaptures CDBG and HOME funds from various previously funded projects and reallocates those funds to other feasible projects. This item also allocates CDBG Program Income funds.

## **Track Record/Monitor**

Michael Liu, Director of the Public Housing and Community Development Department (Department), will monitor all CDBG and HOME activities. Through the review of quarterly progress reports and site visits, the Department will continue to monitor these projects to ensure compliance with federal guidelines and County policies.

The entities recommended for funding have successful track records for the delivery of products and/or services, as specified in their contractual agreements with the County. The allocation of funds will enable the implementing entities to complete their projects in a timely manner.

### **Background**

Funded activities as part of the FY 2015 and prior years' Action Plans are monitored throughout the year to ensure that entities are in compliance with federal regulations, such as the progress of each activity towards accomplishing the national objectives set forth by the U.S. HUD. The Department recommends the recapture of CDBG and HOME funding from: (1) activities that have been completed and have met a national objective with funds remaining unspent; (2) activities that are not feasible or were unable to meet a national objective; (3) entities that were unable to expend funds; (4) entities with an unresolved conflict of interest relative to a staff member participating on the entity's board; or (5) CDF allocations requested to be recaptured by the allocating commission district. All entities listed for recaptured funds have been informed via phone and written correspondence. The proposed recapture activities are listed in Exhibit 1.

This item requests a waiver of the provisions of Resolution No. R-596-12, requiring that 20 percent of CDBG funds be allocated to economic development activities. Only 4 percent of the total funds are recommended to economic development activities. The activities proposed for funding with CDBG Program Income funds as opposed to recaptured funds are public facilities and capital improvements projects at County-owned facilities that need repair and improvement for continued use by County residents.

### **Due Diligence**

A Due Diligence review is required pursuant to Resolution R-630-13 to ensure efficient and transparent use of Housing and Community Development funds for much needed services to the County's residents. The Board requires a report of findings to accompany all recommendations for commitment of County funds. There were no due diligence findings to report for the recommended entities.

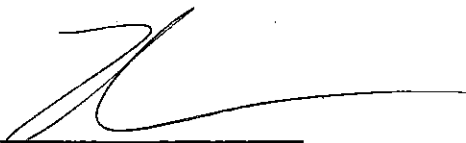

### **CDBG Reallocation and Program Income Allocation Recommendations**

The Department recommends the reallocation of \$297,151.22 in CDBG Program funds and \$1,326,854.05 of CDBG Program Income funds to: (1) Commission District Fund (CDF) allocations; (2) County Department activities; (3) projects that received prior funding but have a funding gap; and (4) CDBG program administration and County-owned public facilities in need of repair and capital improvements (CDBG Program Income). Recaptured CDBG funds are recommended for projects which are eligible under the economic development, public facilities and capital improvements, public service, and housing categories. The proposed CDBG reallocated and CDBG Program Income allocated activities are listed in Exhibit 2.

### **HOME Reallocation Recommendations**

A total combined funding of \$250,000.00 in HOME funds is recommended for projects that are eligible for housing activities. The proposed HOME reallocated activities are listed in Exhibit 2.
